

Misconceptions About The Mark Of The Beast

Revelation 13:16-18 KJV “And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: 17 And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. 18 Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number [is] Six hundred threescore [and] six.”

I have studied this passage of scripture for a long time. And I prayed to God that I would not get the mark should it appear in my lifetime. It is reported that over 5 billion people have been jabbed. And pressure is mounting for the rest of us to get jabbed too.

In March of 2020 things got weird. The mayor of my city gave a speech about shutting down public events for fear of spreading corona virus. These events were money makers for the city and for me as I worked in the hospitality industry. So I knew something serious was happening. Then the surgeon general came on TV telling us to practice social distancing. He said we only needed 15 days to flatten the curve. These and other strange episodes told me this pandemic was gonna be big. Red flags went up when the whole world was locked down. Alarm bells rang louder when they were talking about making the covid vaccine mandatory. I started doing deeper research into this corona thing. I learned there was aborted baby fetus tissue in the shots. That was enough for me to say, “No way!” How could I put aborted baby fetal tissue inside my body which is the temple of God? ([1 Corinthians 6:19, 3:16-17](#)) Wouldn't that make me complicit in what happened to those poor aborted babies? Then more pressure came. Mandatory mask wearing, curfews, etcetera. People were losing their jobs for not agreeing to take the shot when it becomes available. Yes, the covid shots weren't even rolled out yet and people were losing their jobs for saying they would not take it. Folks were scared and losing their minds too. The fear was like something I'd never seen before. People were treating each other colder than they did before too. Love was at an all time low it seemed. If someone sneezed everyone looked at him/her like he/she committed a crime. Everyone was so afraid of catching covid. All this and then some got me thinking, “Could this be the foretold mark of the beast?”

Later my city instituted a vaccine mandate: No jab no job. That included no restaurants, even fast food, no public entertainment events, etcetera. Now I was really thinking, “Might this be the mark of the beast?” I was hesitant to call it that yet because I was still able to buy food from the local grocery store. I was also able to sell my tech gadgets to get needed money (I was out of work). Then I saw videos of folks in other countries who couldn't buy food anywhere because they refused the jab. That got me thinking, "Am I being hoodwinked? Am I being lulled to sleep because mandatory vaccine restrictions aren't as bad here as they are there?" The short answer was, “Yes.” Satan is very tricky. If the vax mandates had hit the entire world hard all at once it would be obvious to some it's the mark. But by easing it in stages you get the boiling frog in the water effect. By the time people know what it is it's too late.

"THAT" NO MAN MIGHT BUY OR SELL

My understanding has always been no one will be able to buy or sell ANYTHING unless he/she has the mark of the beast. I was in for a surprise when I checked the definition of one word: "THAT."

Revelation 13:17 "And THAT no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name."

The word, "THAT," in Revelation 13:17 in the original Greek unlocked the meaning of this passage for me. It means, "In order that," or, "So that," the purpose, the intent, or reason for doing a thing. It also means the result, but not only the final result. I was focused only on the final result; not being able to buy or sell. I thought when no one can buy or sell anywhere on earth unless they have the mark that's when we will know what the mark is. I was wrong. The intent behind this pressure is to get masses to take the mark. I thought since I can still buy and sell (though limited) and I'm not vaccinated, how can this be the mark? Again, I was wrong. No one buying or selling is the beast's fear mechanism to achieve his ultimate goal; receiving his mark. It's called coercion. It's also called extortion. And that's exactly what was and is going on today. So Revelation 13:16-18 was being fulfilled as soon as the threats (no job no job) for not getting vaccinated went forward.

People have and still are losing their jobs, businesses, etcetera because they refuse the shot. What we've seen during covid lines up perfectly with Revelation 13:16-18. It's not hard to believe that a universal mandate; a lockout of the economic system for all the unvaccinated will come. But we don't have to wait until that happens to discern what the mark of the beast is. Everything they are doing right now matches Revelation 13:16-18. We'll discuss more on that later.

ANOTHER MISCONCEPTION: "YOU CAN'T BE FOOLED INTO TAKING THE MARK"

I've heard Christians say that and once thought it myself. But like many other things we once believed and were wrong about; we learn the right way, we repent, and we grow. This next passage kills that doctrine:

Revelation 19:20 KJV "And the beast was taken, and with him the false prophet that wrought miracles before him, with which HE DECEIVED THEM THAT HAD RECEIVED THE MARK OF THE BEAST, and them that worshipped his image. These both were cast alive into a lake of fire burning with brimstone."

The scripture clearly says those who receive the mark of the beast are deceived into doing it. And scripture also tells us why something so horrible as this happens:

Hosea 4:6 KJV "MY PEOPLE ARE DESTROYED FOR LACK OF KNOWLEDGE: because THOU HAST REJECTED KNOWLEDGE, I will also reject thee, that thou shalt be no priest to me: seeing THOU HAST FORGOTTEN THE LAW OF THY GOD, I will also forget thy children."

God says His people are destroyed for lacking knowledge of Him. They reject His knowledge and forget His laws. If this results in the destruction of God's own people how much more the world? This may sound harsh but think about it, is there a good reason for not knowing God? Especially when knowledge of Him is so abundant? ([Daniel 12:4](#) [2 Timothy 3:16-17](#)) Could complacency be the cause? Ignorance is not bliss. It's deadly. I've heard ignorance defined like this:

"To not know even though necessary information is present, because that information has been wilfully refused or disregarded."

This is why so many are ignorant about the mark of the beast. The information is here. It's been here in God's word and right in our face. But most have refused and disregarded it. "I didn't know," isn't a good enough excuse in the day of judgment. How much did we care to find out? People search and dig for things that

interest them all the time. Unfortunately things about God aren't that interesting to them. If it's not something to help mass material wealth people ain't interested. This brings a curse from Almighty God the Creator of all living things:

Romans 1:28 KJV “And even as they did not like to retain God in [their] knowledge, God gave them over to a reprobate mind, to do those things which are not convenient.”

Proverbs 1:32-33 NLT “For simpletons turn away from me—to death. Fools are destroyed by their own complacency. But all who listen to me will live in peace, untroubled by fear of harm.”

Since people turn away from God to evil God allows the man of sin to ravish them:

2Thessalonians 2:10-12 NLT "He will use every kind of evil deception to fool those on their way to destruction, because they refuse to love and accept the truth that would save them. 11 So God will cause them to be greatly deceived, and they will believe these lies. 12 Then they will be condemned for enjoying evil rather than believing the truth."

GOD IS NOT UNJUST

When we enjoy what is evil instead of seeking truth and righteousness this brings a curse. God Himself sends a strong delusion so that the accursed will believe lies. We all reap what we sow. If we love lies we get deceived by them. If we love truth it sets us free and saves us. ([John 8:32](#)) This is God's righteous judgment. Who can change it? HE'S GOD. THE CREATOR OF ALL THINGS. Some think God is harsh or unfair for letting people get trapped in their own schemes. ([Proverbs 1:31](#)) But nothing can be further from the truth. God is the most merciful person there is! ([Psalm 103:8-14](#)) Would you have the patience to warn humans you created again and again and again? Would you have the forbearance to tell them to do what is right and love one another for millenniums? How long would you put up with human beings if you were God? How long do you put up with them now? And how has mankind responded to God's loving, patient warnings? We give God the middle finger all day, every day. We do what we want to and pay Him no attention. And yet we are still breathing? Why are we still alive if God is so mean and unfair? Some think God doesn't care? But He does. He has put up with our rebellion for so long because He does not desire any to be destroyed, but all to repent. ([2 Peter 3:9](#))

So don't call God unfair. Especially when he's provided the playbook for eternal life; the Bible. It is we who are unjust and unfair. ([Romans 3:10-19](#)) The Bible describes everything we see happening today including covid. It foretold these events way before they happened. It is God's book. His present to us His children. But many resent the Bible. Some who do study it only acquire head knowledge. They think being able to quote scriptures is what's required. Others think being able to explain all the deep prophecies and mysteries will save them. ([1 Corinthians 13:1-10](#)) And some think knowing Hebrew and Greek word definitions sets them apart. But none of these can keep us from falling into the trap. That trap of worshiping the beast, his image, and receiving his mark:

Revelation 14:9-11 KJV “And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive [his] mark in his forehead, or in his hand, 10 The same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb: 11 And the smoke of their torment ascendeth up for ever and ever: and they have no rest day nor night, who worship the beast and his image, and whosoever receiveth the mark of his name.”

Eternal damnation results from taking the mark of the beast. Those who reject God will receive it sealing their doom. Remember, it's not God's fault. God has provided the way out who is Jesus Christ. ([John 14:6, 17:3](#)) He has also given us His word the Bible so we can know Him. God is not unjust. Remember this when your friend takes the mark of the beast. Remember this when it's your son, your daughter, your mother, your father. Remember it when your spouse, your church member, and even your pastor takes the mark of the

beast. If they sought God truthfully there is no way He would have allowed them to take it. [2 Thessalonians 2:10-12](#) proves this. The strong delusion deceives only those who do not receive the love of the truth. And God cannot lie. It doesn't matter how much of a believer we thought they were. The son of God keeps safe those who truly belong to Him. [\(John 10:27-30\)](#) Follow scripture not your heart. [\(Jeremiah 17:9\)](#) Follow scripture not your feelings and you'll be following God.

I know it's hard to stomach but some of our closest ties have and will give in to the beast system. Family members are turning on each other as Jesus foretold they would. [\(Luke 12:51-53 Matthew 10:21-22\)](#) We are definitely in the time of testing. Let us pray for ourselves and for one another like never before that we will be able to stand in these last days. [\(Luke 21:34-36 Ephesians 6:18\)](#) And pray that we will never take the mark of the beast.

WHO IS THE BEAST?

There's been much speculation about who the beast is. I prefer to stick with who the Bible says the beast is and encourage you to do the same:

Daniel 7:23 KJV "Thus he said, The fourth beast shall be the fourth KINGDOM upon earth, which shall be diverse from all kingdoms, and shall devour THE WHOLE EARTH, and shall TREAD IT DOWN, and BREAK IT IN PIECES."

The Hebrew word for, "kingdom," in this passage means royalty, or reign. In Daniel's prophecy this is the last royal kingdom to reign on the earth before Christ returns. This kingdom/government rules over THE WHOLE EARTH. That sounds like a one world government. Did not the lockdowns and push for the jab worldwide prove the one world government is here? The Bible says this kingdom, 'DEVOURS the whole earth, TREADS IT DOWN, and BREAKS IT IN PIECES.' What better way to devour the earth, tread it down, and break it in pieces than by editing/corrupting the DNA blueprint God created for all living things? That includes human beings. Top scientists and doctors around the world have proven the covid shots do change your DNA. And GMOs (genetically modified organisms) have been around for years. Plants, animals, insects, you name it have all been genetically modified. Even the foods we eat are GMOs. And we haven't even talked about the chemtrails in the skies above. Or the fluoride governments put in our drinking water. Do we need to go into the deadly frequencies/radiation produced by 5G wifi? How about the weather modification machines that governments employ around the world? We could go on and on. I encourage you if you haven't already to do your own research on these. Alternative media sources produce the best results. Yes, the beast system is indeed devouring the whole earth, treading it down, and breaking it into pieces.

The mainstream media (controlled by the beast) lied to us when they said the covid shots do not change human DNA. The latest data shows it does. Yeah, after giving over 5 billion out of 7 billion plus the shots. We were lied to about everything it seems. A wealthy businessman in France died from the vaccine. His insurance company refused to pay his claim stating He knew this was an experimental drug. Hence they ruled his death a suicide. And by law that meant they did not have to pay his insurance claim. Don't believe me? Here's the link: [OOPS THEY LIED, YOU DIED & INSURANCE COMPANIES DENY VACCINE DEATH PAYMENTS](#). You mean to tell me the beast forces me to get the shot, "No jab no job," then when the shot kills me you tell my loved ones I took it voluntarily? A shot the government keeps saying is safe and effective. And because I chose to take it that's committing suicide? So no insurance payment owed?

Did you know by law all the vaccine companies are not required to pay damages even if it is proven someone died from the covid vaccines? I know, sounds unbelievable, doesn't it? But it should make us wonder, what's really going on with these shots? I wonder how many to date would sue for damages if they could? Here's another link: [Experts estimate 20 million are already dead due to COVID Vaccination & over 2 billion injured](#). And these numbers are climbing daily. This is only the beginning of the carnage. We haven't talked about the staggering number of athletes dropping dead worldwide. All vaccinated by the way. Or the spike in miscarriages and stillbirths. 80% increases in some parts of the world. This link will give insight into these and then some: [DIED SUDDENLY - THE FULL MOVIE - STEW PETERS DOCUMENTARY - WORLD PREMIERE](#).

Credible doctors, scientists, lawyer's, weapons experts, funeral embalmers, and other professionals are boldly speaking out. They are publishing new findings every day connected to these shots. Experts have found them not to be traditional vaccines, but instead gene therapy. Some say gene replacement is a better term. We do know that synthetic biotechnology on a nanoscale is in the vaccine vials. This is shocking and does leave a permanent mark in those who take them.

There's so many horrible things reported about the covid so-called vaccines. Too many to go into right now. Some of this stuff can be found right in the pharmaceutical company's patents. You just have to look this stuff up to believe what's coming through that syringe. If people only knew they never would have taken it. The one world government system is indeed devouring the whole earth and mankind as well. They're not shy about it either. High ranking members of the World Economic Forum say we are turning into a new race of beings. And they're saying genetic editing is responsible. Klaus Schwab, the founder of the World Economic Forum in a 2015 interview said, "The difference of this fourth industrial revolution is, it doesn't change what you're doing, it changes you. If you take genetic editing, just as an example, it's you who are changed and of course this has a big impact on your identity." Did you hear that? "If you take genetic editing...it's you who are changed?" "This has a big impact on your identity?" He said this in 2015. Is there any evidence today that confirms Mr. Schwab's claim? Yes there sure is. A lawyer named Todd Callendar is currently involved in a lawsuit. He reports there are documents stating every vaccinated person is no longer considered human. They are no longer called homo sapiens either. Their new title is [Homoborgensis](#). Click on that word ([Homoborgensis](#)) for the link. Are there also laws stating since your DNA has been edited you are now the chattel property of the patent holder of whichever vaccine you took? Lawyers and other experts say, "Yes." I know, this all sounds insane. Please look these things up for yourself and see how deep the rabbit hole goes. This hole should be called, The Bottomless Pit!

Before 2020 if I told you all businesses, churches, etcetera in the world will shut down simultaneously, would you believe me? If I told you everyone will be forced to wear masks for fear of catching a virus, would you believe me? Then If I told you every government in the world will force a gene editing so-called vaccine on its population, would you believe me? And if I told you that if you refuse this vaccine you will not be able to work or own a business, would you believe me? Yet all these things happened and are still happening. But people find it hard to believe the rest of the shenanigans. What a powerful spell the world is under.

WHERE DOES THE WORD "PHARMACY" COME FROM?

Revelation 18:23 KJV "And the light of a candle shall shine no more at all in thee; and the voice of the bridegroom and of the bride shall be heard no more at all in thee: for thy merchants were the great men of the earth; for by thy SORCERIES were ALL NATIONS DECEIVED."

In Revelation 18:23 the Greek word in that passage for sorcery is *Pharmakeia*. It's where we get our English word *Pharmacy* from. It means the use or administering of drugs. It also means magical arts, often found in connection with idolatry. God foretold the whole world would be deceived by pharmaceutical magic. Yes, the whole world would be deceived by the use and administering of drugs. No wonder the covid shots don't work! They're witchcraft! They are fraudulent and of the Devil who comes only to steal, kill, and destroy. ([John 10:10](#)) Even mainstream media has started admitting the jabs don't stop covid or or the spread of it. This admission comes after they got most of the world to drink the kool-aid.

Revelation 13:16-17 KJV]"And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: 17 And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name."

The push for these shots continues despite all the deaths and injuries reported from them. This is not about health and wellness. There's definitely another agenda here. This is sorcery; this is witchcraft! Yet puppets in the media are still echoing like parrots, "It's safe and effective. It's safe and effective." What a price they will

have to pay before God. Someone wants to put something inside of your body really bad. Again I plead with you if you haven't already, please do deeper research on this.

There's so much more I didn't go into. Like, what's up with bluetooth MAC addresses emitting bluetooth signals from the bodies of the vaccinated? Now why would bluetooth signals like an IP address to a computer be emanating from the bodies of the vaxxed? This link will explain: [**BLUETRUTH - BLUE TOOTH DEVICES IN COVID VACCINE - COMUSAV MUNDIAL - DOCUMENTARY.**](#) Once you've done your own thorough research on this topic decide for yourself what to believe. At least then you can make a true assessment. As for me, my personal experiences; struggles, and research has left me at times speechless. Often I've been in tears, angry, and in deep mourning. It's not every day you witness the extinction of the human race. Or at least now it is. I am left with no doubt to conclude based on scripture that these covid shots are the mark of the beast. And there is more to come.
