

# | A Great Sword -- The Second Seal

**Revelation 6:3-4 KJV "And when he had opened the second seal, I heard the second beast say, Come and see. And there went out another horse that was red: and power was given to him that sat thereon to take peace from the earth, and that they should kill one another: and there was given unto him a great sword."**

---

In the past whenever I read Revelation 6:3-4 I thought about wars like world war 1 or world war 2. I was taught from young that's what it meant. If the rider on the red horse takes peace from the earth that means the whole world is at war, right? That reasoning was drilled into me. But recently I've learned there's other ways that peace can be taken from the earth or the whole world can be at war. Is there not a world war being waged right now by governments against their own people? Aren't people killing one another through the coerced mRNA injections? ([Revelation 13:16-17](#))

In addition to causing people to kill themselves, the rider on the red horse is given a great sword. A sword is a weapon for violence. But it also represents dissensions that lead to division. Did we not see great division worldwide after covid-19 became a thing? Did not the love of many grow even colder? ([Matthew 24:10-12](#))

**Mat 10:34-36 NET 34 "Do not think that I have come to bring peace to the earth. I have not come to bring peace but a SWORD. 35 For I have come to set a man against his father, a daughter against her mother, and a daughter-in-law against her mother-in-law, 36 and a man's enemies will be the members of his household."**

Haven't we experienced division within families like never before since covid? How many young people were disowned by their parents because they refused to take the so-called vaccine? And vice versa? How many marriages failed because a partner didn't take the shot? To this day people who were once close are still at odds over the jab. Even though it's been proven that it doesn't work? Yes. It is documented that 9 out of 10 covid deaths were people who took the vaccine and boosters. There has to be an evil spirit that guides this deceptively divisive storm.

## THE GOD OF WAR

Estimates say around [37 million died in world war 1 and more than 60 million in world war 2](#). In 2022 it was estimated that [20 million were already dead and 2 plus billion injured from the jab](#). And it's just beginning. Let that sink in. What a great sword this is! The adverse effects of this experimental drug are enormous. How many more will die and get injured? Some say billions. But do you have to kill everyone to win this kind of war? Not at all. If the human genome is permanently changed; mixed with organisms through the shot you've created a new species, a new race. Can somebody say Invasion Of The Body Snatchers? Isn't it interesting how they love to create movies telling us what they plan to do to us then do it? If human beings are no longer human because they've been mutated, are they not defeated? They're destroyed in the worst way. They are unredeemable. They can never reach their full potential, which is eternal life. ([John 3:16](#)) Why? Because they forfeited their souls to attain a pseudo salvation. They chose to be saved by a

so-called vaccine instead of by Jesus Christ. ([Luke 9:24-25](#) [Matthew 16:26](#)) This drug; this sorcery changes one into a chimeric hybrid. They are no longer human. Jesus died for humankind, not for hybrid-kind. ([Revelation 14:9-11](#))

The life or *soul*--in Hebrew--is in the blood God says. ([Leviticus 17:11](#)) The contents of this shot goes straight for the jugular; the blood. It affects every cell in the body according to pharmaceutical patents. Reputable doctors and scientists back this up. That means no part of the body is unaffected. And there are organs this shot has a special affinity for like the heart, the brain, the ovaries, and testes. The heart and the brain when damaged are the only organs that never heal or repair. The ovaries and testes when damaged cause infertility. Doctors and scientists are reporting severe damage to these and other organs from the vaccine. The god of war is wiping out the human race and their future generations.

Experts say the covid injection contains hydrogel or quantum dot, graphene oxide, lipid nanoparticles, Luciferase, CRISPR-Cas9, mRNA, reverse transcription of DNA, spike proteins, HIV, causes autoimmune disease, etcetera. The horrible list goes on and on. Anyone who researches these alone will see that this is not a vaccine. It's a bioweapon! A brilliantly wicked one at that. Satan and his crew left no stone unturned. Sadly, when it was rolled out people lined up to get their genetically modifying injections. Yes, there are many who were coerced. But the choice was still ultimately theirs to say, "Yes," or "No." Most overwhelmingly said, "Yes." They trusted in pseudo science instead of God. They were ruled by fear instead of love. ([1 John 4:18](#)) Some are starting to wake up who know people that have died or been injured from these shots. Yet they still ostracize others who refuse the jab. Go figure. How can this be? How can a species be so blind?

**Revelation 12:9 LEB "And the great dragon was thrown down, the ancient serpent, who is called the DEVIL and SATAN, who DECEIVES THE WHOLE WORLD. He was thrown down to the earth, and his angels were thrown down with him."**

**1 John 5:19 ESV "We know that we are from God, and THE WHOLE WORLD LIES UNDER THE POWER OF THE EVIL ONE."**

We have yielded our will to the Devil simply put. How sad. Especially when Satan and his angels hate all mankind. The whole world is under his wicked influence, his spell. We're being exterminated as we speak. How is a person still a human being if they forfeit their soul or life force by rewriting their genetic code? ([Leviticus 17:11](#)) This sorcery is other-worldly. ([Revelation 18:23](#)) What a great sword indeed! Using the one world government to kill off the human race with slow lethal injections is wickedly brilliant. To have people participate in their own demise for future generations is astonishing! ([Daniel 8:23-25](#)) The smartest humans could never contrive something diabolical as this. It is of the Devil, the god of war.
