

# |God's Blood The Universal Currency

**Acts 20:28 BSB “Keep watch over yourselves and the entire flock of which the Holy Spirit has made you overseers. Be shepherds of THE CHURCH OF GOD, which HE PURCHASED WITH HIS OWN BLOOD.”**

---

Wow! God has blood? We humans really are made in God's image. ([Genesis 1:27](#)) Only God's blood has purchasing power. More redeeming power than all the coupons and money in the world. In the real world blood is currency just as money is currency to us. God purchased the church with HIS OWN BLOOD. Yes, redeeming the church costed God something. The death of his own son by means of crucifixion.

Jesus willingly cooperated with His Father's plan to redeem mankind. He went through much persecution, torture, and eventually death in order to save us. Oh how much God loves us! How much do we owe Him? How grateful we should be. Some live as though they can save themselves. But they are broke. They have no money. Their blood is tainted with sin. It can't buy a stick of chewing gum. Those who don't have their sin debts paid for go to jail (hell) until they can pay back what they owe. ([Matthew 18:21-34](#)) Since no one can ever pay their sin debt (it is too large) they never get out of jail, the lake of fire. ([Romans 6:23](#) [Revelation 21:8](#)) This is God's righteous judgment for those who refuse to accept His free gift of salvation. But it doesn't have to be this way. God is offering eternal life and forgiveness of sins, and it's FREE! GOD IS CANCELLING ALL DEBTS! Jesus is our, “Get out of jail free,” card. He is the only way to be saved from our sins and receive eternal life. ([John 14:6](#))

---

**Ephesians 1:7 GNT “For BY THE BLOOD OF CHRIST we are SET FREE, that is, our SINS ARE FORGIVEN. How GREAT IS THE GRACE OF GOD.”**

---

## AN ENEMY OF BLOOD -- GOD'S AND OURS

In Leviticus 17:11 God says the life of the flesh is in the blood. The Hebrew word here for *life* (Nephesh) means *soul*. So our souls are in our blood God says. He would know He created us. There's much speculation about what the soul is. Many believe the soul is merely a nonphysical ghostly essence that's trapped inside the body and is released at death. For a deeper biblical understanding of what the Soul is here's the link to a short video: [Soul](#).

What else is in our blood? Something we call DNA. DNA is likened to code and storage space that operates similarly to a computer many say. Some say just like one. Experts agree DNA is the code of life. Some even call the human genome The Book Of Life. Interesting. Did you know that DNA molecules can store up to 215 petabytes, or 215 million gigabytes of data in a single doubled stranded molecule? That's a lot of information. It is estimated there are 100 million nucleotide pairs of coded DNA in the human body. Wow!

DNA in our blood is responsible for every bodily function, including human behavior. It's been called the blueprint of life. We are indeed wonderfully made as God says. [\(Psalm 139:13-16\)](#) Those who are born again have God's blood through Jesus Christ and exhibit His behavior, His character, his code. Likewise, those with Satan's DNA manifest his. [\(1 John 3:10\)](#) What if there was a way the Devil could trick people into changing their genetic code permanently to match his? Do you think he would jump at the opportunity? You betcha! And before you say this is impossible I suggest you read Genesis chapter 6. There you will see it was done before which led up to God destroying the whole world in a flood. [\(Ecclesiastes 1:9-10\)](#)

When Jesus Christ walked the earth He said the world would be like it was in Noah's day right before He returns. Was He lying? Has not gene editing and transhumanism become a big thing? The richest men in the world like Elon Musk, Bill Gates, and others all promote this. Elon Musk said in an interview and I quote, "You can turn someone into a freakin butterfly if you want with the right DNA sequence." He also said, "You can basically do anything with synthetic RNA, DNA, It's like a computer program." Wait a minute, is Elon talking about the synthetic RNA (mRNA) that was injected into over five and a half billion people worldwide? Via the covid shots? The same synthetic RNA Moderna's President said in their vaccine patent functions very much like a computer operating system? Yes. Don't believe it? Here's the link: [\*\*MODERNA PRESIDENT CALLING VACCINES A SOFTWARE OPERATING SYSTEM BEING CONTROLLABLE BY OUTSIDE SOURCES.\*\*](#)

Let's cut to the chase. The Devil got a whole lot of people to alter their DNA and receive his code (number), his character (name), and his mark. [\(Revelation 13:16-18\)](#) Once your genetic code is rewritten you're no longer what God created. You're a hybrid. [\(1 Corinthians 3:17\)](#) Satan tricked people so that they can never experience the eternal joy of being children of God. Jesus died to redeem mankind, not hybrid-kind. The Devil knows this. Turn everyone into a hybrid and there will be no one left to save. That's his plan. He does indeed come only to steal, kill, and destroy as the Bible says. [\(John 10:10\)](#) He put his own demonic concoction right into the veins, into the bloodstream, inside the nucleus of every human cell in the body. Humans have been hijacked! Every cell in their bodies--including the heart and brain--has been seized via the so-called vaccine and PCR test. Whenever people are tested for covid they are really being vaccinated. This has been sadly discovered as well. Here are 2 video links that prove it: [\*\*MRNA 'VACCINE' IS GENE EDITING, WILL MODIFY YOUR DNA, SWAB TEST SENDS NANOPARTICLES INTO YOUR BRAIN. A MUST WATCH FORMER FEMA WHISTLEBLOWER EXPLAINS CORONA PCR"TEST" IS IMPLANTING A MICROCHIP.\*\*](#)

The vaccine vials have been studied extensively. In them is nanotechnology that edits human DNA. These nano particulates are introduced through the PCR test as well. Basically, our God-given DNA is systematically gutted out and replaced with Lucifer's. These structures literally self-assemble once inside our bodies. Neurons in the brain are replaced with synthetic nanowires. The human being becomes a cyborg. If this is still a bit too hard to believe don't take my word for it. Listen to attorney Todd Callander explain how the government considers all vaccinated people a nonhuman species. Their new legal term for the vaccinated is *Homoborgenesis*. Yes. And they are now the patented chattel property of the patent holders of whichever vaccine they took. The law states since their DNA has been modified they are now owned. I know this sounds insane. Here's the short video link: [\*\*GLOBALISTS NOW CONSIDER THE VAXXINATED A NEW SPECIES - HOMOBORGENESIS.\*\*](#)

It's been discovered that gene deletion also occurs in the brain with these shots. Genes responsible for love, compassion, critical thinking, empathy, and spirituality are destroyed. How wicked! Experts say the same demonic nanoparticles found in the covid shots and PCR tests are showing up in other medical injectables, including the flu shot. This is wickedness indeed.

If there are no more human souls left because everyone has been turned into hybrids and chimeras, who will there be left to save? Who would there be to redeem or purchase with God's blood? Don't you see Satan's evil plan? It's to destroy all mankind created in the image of God. [\(Genesis 1:27\)](#) The main target is believers

in Jesus Christ. ([Revelation 12:17](#)) Everyone else is collateral damage. The Devil hates all humans. Why? They are created in God's image. He hates God.

God's Holy Spirit will never dwell in a defiled temple. And that's what happens to a human being who forfeits their soul by ruining their blood of which God says the soul, the nephesh, the life is. ([Leviticus 17:11](#)) The same thing fallen angels were doing in Noah's day (altering human DNA) is being done today. We are truly in the last days of human existence in this world. May we keep ourselves pure by refusing the Devil's witchcraft potion. May we steer clear of his mark. Don't get the shots or the tests. God bless you.
