

They Know

Romans 1:32 LEB “Although THEY KNOW God’s just sentence—that those who practice such things deserve to die—they not only do them, but even applaud others who practice them.”

Can the same be said about certain doctors, nurses, politicians, businessmen/women, funeral embalmers, coroners, and others when it comes to the covid shots? Do they know something they’re not telling us? Do they know that these shots are maiming and killing people? Here’s a link that explains some of what they know: [CORRUPT HOSPITALS KILLING PEOPLE FOR CASH](#). How do they think they can escape the judgment of Almighty God? What a miserable existence these people have.

It’s been 3 years now since covid hit. More than enough time to see all the cover ups and lies. Yet many keep going along with the program. Why? Money and fear? Those of you who are keeping quiet and know exactly what’s going on, do you think you are indispensable? Do you believe you’ve punched your ticket to the New World Order? You really think they’re gonna reward you after you’ve helped them exterminate the human race? You don’t see the problem here? The people behind this hate all humans. They hate you too. You’re a tool to them. They’ve used you to help jab 81% of the world’s population with this killer shot. Very soon your services will no longer be needed. What do you think awaits you then? A thank you? A pat on the back? A, “Job well done?” You can’t be so foolish to think they’re not gonna kill you too. You know too much. There can be no loose ends in the New World Order.

Romans 1:18 LEB “For God’s wrath is revealed from heaven against all godlessness and unrighteousness of people who by their unrighteousness suppress the truth.”

God is angry with those who continue to suppress the truth by supporting this fraud. And His anger is being expressed towards them right now. Pfizer was forced to admit in court that they delivered a fraud. Yes, they were talking about their so-called vaccine. They called what they injected into billions of people a fraud. Don’t believe me? Here’s the link: [PFIZER: “WE DID NOT DEFRAUD THE GOVERNMENT. WE DELIVERED THE FRAUD THAT THE GOVERNMENT ORDERED.”](#)

Some of you still can repent. God is so nice and willing to forgive you for all your sins. ([Psalm 103:8-14](#)) Yes! But we must come out of darkness and step into the light. That’s right, you must be willing to confess what you have seen, or what you have done, or both. First, confession must be made to God. ([1 John 1:7-9](#)) Second, I’d be careful about who else I confess this matter to because many in positions of authority are in on it. What’s better? Keeping quiet? Keep playing this game until they kill you too? Then be tormented in hell and the lake of fire, forever? ([Revelation 21:8 20:14-15](#)) Or get right with God? He can protect you. And even if He allows us to die at the hands of men, God can still reward us with eternal life. ([John 3:16](#))

Matthew 10:28 CSB “Don’t fear those who kill the body but are not able to kill the soul; rather, fear him who is able to destroy both soul and body in hell.”

FEARLESS

Thank God for the doctors, nurses, lawyers, funeral embalmers, scientists, government officials, and others who stuck their necks out. I think the devils behind this pandemic were surprised by how hard some of these HUMANS fought back. It was prophesied they would:

Daniel 11:32 ESV “He shall seduce with flattery those who violate the covenant, but the people who know their God shall stand firm and TAKE ACTION.”

This evil government system has seduced all who forsake God’s covenant (His laws). All except those who know their God. They are standing firm and taking action. Did you think God’s people would take all this covid crap lying down? No no no, that’s not how God’s true servants are. They are fighters. They are warriors. They are more than conquerors! ([Romans 8:35-39](#)) Remember David and Goliath? Remember Sampson who defeated one thousand Philistine soldiers with the jawbone of an ass? Remember Gideon and his 300 men? The real 300? Remember wise Judge Deborah who counseled the king for war? Remember Moses and Aaron; a sheep herder and a peasant, who took on Pharaoh of Egypt, the king of the world? And the greatest warrior of all; Jesus Christ, who sacrificed Himself for the sins of the world! The list goes on and on. God’s people have always been warriors. Their mighty deeds are performed by God’s almighty power, His Holy Spirit! No, none of God’s servants are cowards. Listen to the fate of cowards:

Revelation 21:8 LEB “But as for the COWARDS and unbelievers and detestable persons and murderers and sexually immoral people and sorcerers and idolaters and all liars, their share is in the lake that burns with fire and sulphur, which is the second death.”

A coward is as bad as a sorcerer in God’s eyes. As bad as a murderer to Him. All who are complicit in the atrocities involving these fraudulent shots are guilty. Three years is enough time to know what’s going on. Even the top pushers of this drug have admitted it doesn’t stop you from getting covid or from spreading it. Yet the push goes on. This proves it’s not about health and wellness. Someone wants to put something inside of our bodies really bad. Stop playing dumb when you know something is wrong. All the money in the world can’t save you from the repercussions of this.

The CDC's Director admitted THEY KNOW these shots cause debilitating long term illnesses. And that they have disrupted the quality of life for many. Yes, THEY KNOW! Here’s the link: [DR SCOTT JENSEN: CDC DEPUTY DIRECTOR FORCED TO ADMIT MASSIVE PROBLEMS | BACKPEDDLING](#). The public outcry is so loud now they have to acknowledge the harmful effects of these shots. Otherwise they look complicit. [Experts say BILLIONS have been injured and tens of MILLIONS have been killed from these, “It’s safe and effective.” so-called vaccines](#). What bloodguilt is on the hands of all who helped perpetrate this fraud! THEY’RE COMING FOR YOU NEXT. There can be no loose ends in the New World Order, The Great Reset, whatever you wanna call it. Get on the right side while there is still little time. Get on the side of the truth. And may the truth set you free. God be with you.
