

# Yes Their Personalities Are Changing

**Luke 11:24-26 LEB “Whenever an unclean spirit has gone out of a person, it travels through waterless places searching for rest, and does not find *it*. It says, ‘I will return to my house from which I came out.’ 25 And *when it* arrives it finds *the house* swept and put in order. 26 Then it goes and brings along seven other spirits more evil than itself, and *they go in and* live there. And the last *state* of that person becomes worse than the first!”**

---

The above passage proves a person can change from one state to a much worse condition. Have you noticed personality changes in folks who got the jabs? Aren't they angrier, and colder? ([2 Timothy 3:1-5](#)) Many are reporting their loved ones are changing. It's like they're different people but in the same body. I've noticed this too. After covid hit I used to say, “It feels like a special legion of demons have been unleashed.” Now I know it's true. Is there scientific proof people are changing from within due to the covid injections?

## “TRUST THE SCIENCE” THEY SAY

"Trust the science," they say. Well let's see what the science says. The science says the covid injections break the blood brain barrier (it goes into your brain). Vaccines are not supposed to do that. Once that happens brain damage occurs. Clots are formed in the brain destroying it. There are parts of the brain responsible for memory, empathy, love, etcetera. Once they are damaged they are gone forever, they never heal. The heart and the brain are the two organs in the body that do not repair once they are injured experts say. This explains why the personalities of the vaccinated are changing. Their brains are changing. They are literally turning into someone else. The frontal lobe of the brain handles love, empathy, caring, and compassion. Over time it stops functioning as normal. Never to be restored. This is a defilement of God's temple. ([1 Corinthians 3:16-17](#)) The person's body becomes desolate. ([Matthew 24:15](#) [2 Thessalonians 2:4](#)) This also gives more insight as to why someone who takes the mark refuses to repent.

**Revelation 16:2, 8-9 CSB “The first went and poured out his bowl on the earth, and severely painful sores broke out on the PEOPLE WHO HAD THE MARK OF THE BEAST and who worshiped its image. ... 8 The fourth poured out his bowl on the sun. It was allowed to scorch people with fire, 9 and people were scorched by the intense heat. So THEY BLASPHEMED THE NAME OF GOD, who has the power over these plagues, and THEY DID NOT REPENT and give him glory.”**

**Revelation 9:20 NLT “But the people who did not die in these plagues STILL REFUSED TO REPENT of their evil deeds and turn to God. They continued to worship demons and idols made of gold, silver, bronze, stone, and wood--idols that can neither see nor hear nor walk!”**

Dr. Sucharit Bahkti is a world renowned Microbiologist. He explains the changes in the body and the brain caused by the covid shots better than anyone I've heard. He breaks it down in layman's terms. In this link: [SUDDEN PERSONALITY CHANGE](#), experts explain this phenomenon. There's a 20 minute clip of Dr. Bahkti as well explaining how and why the personalities of the vaccinated do change. Yes, there is

compelling scientific evidence. People are changing right before our very eyes. After watching this video, [\*\*SUDDEN PERSONALITY CHANGE\*\*](#), there will be no doubts.

Dr. Peter Breggin; Physician, Psychiatrist, & Best Selling Author chimes in on the discussion. He states the highest centers of the brain are being impaired. He's talking about the frontal lobes. He compared the frontal lobe of our brains to our civilization. It's the part of the brain that makes us civilized he says. The frontal lobes of our brains give us the ability to love and be less angry with one another. Dr. Breggin compared the damage to the brain caused by the covid shots to a lobotomy via electric shock treatment. Dr. Breggin is known for his work in this regard since the 1970s. He campaigned internationally to stop lobotomy. And he had great success. In this video, [\*\*SUDDEN PERSONALITY CHANGE\*\*](#), he explains how hemorrhages occur in the brain from the shots. Blood vessels are ruptured blocking oxygen from getting to key parts of the brain. And this causes brain damage. Remember, the brain and the heart are the only two organs in the body that never heals once it's wounded. The frontal lobes responsible for love and empathy get diminished. [\*\*\(Matthew 24:12\)\*\*](#) Hence the increase of wicked behavior since the covid injections. The latest reports say 81% of the world's population have been jabbed.

Can someone say, "Zombie apocalypse?" The CDC can, The United Nations can, and The Pentagon can. They all have documented plans for it. Conplan 8888 was introduced to the public in 2011. It was formally known as the, "Counter-Zombie Dominance," document. Don't believe me? Look it up. Yes, they knew in advance what was coming. That's easy to do when you've planned it.

## **COPING WITH LOSS**

We are in the days of Noah. [\*\*\(Matthew 24:37-39\)\*\*](#) We are witnessing the extinction of the human race. "Directed evolution," is what some of these Luciferian, mad scientists call it. God calls it an abomination that makes the bodily temple desolate! I heard a recent poll states 50% of Americans know someone who has died from the covid vaccines. More folks seem to be waking up to their worst nightmare. Many of these have been jabbed. The fear must be overwhelming. Death tolls plus friend and family betrayals are rising due to the effects of the shots. And it's just the beginning. This is indeed a weird time we're in. Some believe we are in the foretold great tribulation. I'm one of them. [\*\*\(Daniel 12:1\)\*\*](#) Most are blind to the facts about all of this and will continue to be. Why? Because the parts of their brains responsible for critical thinking, caring, empathy, and love are being deleted. Oh what sorcery this shot is! [\*\*\(Revelation 18:23\)\*\*](#) By erasing a person's ability to love, how can he or she ever worship God? They can't. And that's what some of us know this psyops called covid is all about: erasing God from every human being.

I wish there was an easy answer for coping with the loss of loved ones during this crisis but there isn't. Folks say their friends and relatives switched OFF like a light bulb when covid hit. The vaccinations didn't roll out until December of 2020 in the US, right? Wrong. December of 2020 was when the official rollout occurred. There is evidence the covid tests are actually vaccinations. That's right, before December 2020 people were actually being vaccinated while thinking they were just taking a covid test. They shove that long swab way up your nose close to your brain and turn it. Then microfibrils break off. These microfibrils contain hydrogel and lipid nanoparticles. This is not a normal cotton swab. The same lipid nanoparticles found in the shots are in the covid tests. Wickedly brilliant. Once deposited, your pineal gland's electromagnetic field helps with the rest. It pulls the magnetic nanoparticles into your brain through your cribriform plate. The cribriform plate is the thin bone that separates your brain from your nasal cavity. It is porous, it has tiny holes. The vaccine contents travel right through those holes into your brain. Yes, the vaccine breaks the blood brain barrier. That's something vaccines are not supposed to do. These nanoparticles are so tiny they're designed to do just that via the swab tests and the shots. Once inside your brain the technology self assembles. Nanotubes and nanowires connect to your brain's nervous system (neurons). Basically your brain is being rewired synthetically with AI. Yes, Artificial Intelligence. Sounds like science fiction, right? Here's a link that proves it's a scientific fact: [\*\*DR. LORRAINE DAY - THE PCR TEST IS THE VACCINATION! NANOPARTICLES ARE INTRODUCED & THE INOCULATED...\*\*](#)

So, anyone who took a covid test in the U.S. prior to the vaccine rollout in December of 2020 was already vaccinated. They just didn't know it. They use the same method to vaccinate cattle, through the nose. This

means that people were already changing even before they got the shots.

When I first learned about all of this it was heartbreaking and still is. I understood early how all the fear mongering with covid and the pressure to get the shot meant something was up. But now learning the scientific, and spiritual aspects of this is even more horrific. Yet it gives me some closure. Because now I know why some of my loved ones who got the jab will never be the same. It's moments like this when your faith gets tested. Do we love God? Or are other relationships more important? The Lord told us that family members would one day turn on us because of remaining faithful to Him. ([Luke 12:51-53](#)) We were told in the parable of the 10 virgins that those once familiar would separate, forever. ([Matthew 25:1-13](#)) We were also taught that some we fellowship with would turn out to be antichrists, and leave us. ([1 John 2:18-19](#)) But we never saw it happening like this. Who imagines their loved ones receiving the mark of the beast? And turning into someone and something else?

Guys, I'm not gonna pretend like none of this hurts or tell someone else how to grieve. The only encouragement I wanna give myself and all my brethren is to keep praying to God like never before. We are truly in the Lord's day. ([Revelation 1:10](#)) We are living the Revelation given to the apostle John. ([Revelation 1:1-2](#)) Let's cast our heart's burdens on God because He does care. ([1 Peter 5:7](#)) And keep studying His word daily even when you don't feel like it. ([Psalm 119:105-107](#)) Fight the good fight! God's word and prayer will revive us when we are at our weakest. We are so close to crossing the finish line. Now is not the time to quit. When the going gets tough remember the God inspired words of the apostle Paul:

**2 Corinthians 12:8-10 BSB** “Three times I pleaded with the Lord to take it away from me. But He said to me, “My grace is sufficient for you, for My power is perfected in weakness.” Therefore I will boast all the more gladly in my weaknesses, so that the power of Christ may rest on me. That is why, for the sake of Christ, I delight in weaknesses, in insults, in hardships, in persecutions, in difficulties. For **WHEN I AM WEAK, THEN I AM STRONG.**”
